THINGS TO KNOW FOR CAMP DREAM IT 2024

Your daughter's physical and mental health are our top priorities at Camp Dream It. We are very focused on safety and fun. Although I do not recommend missing the afternoon activities, they are not mandatory. We hope to be able to accommodate your daughters' dietary needs. It needed, please send your daughter with specific snacks or meals which can be stored in our fridge/freezer. Please do not send your daughter to camp if she is not feeling well. Our goal is to offer these girls a fun, safe camp that rejuvenates their passion for gymnastics and to make new friends. We are determined to have the best of both worlds at this camp by having the girls learn amazing gymnastics skills, as well as participating in activities they will never forget. In case of an emergency, contact Coach Summer on my cell phone at 928-499-8077.

We are so excited to see you!
